

served as principal in her honor. Henceforth, this school will be known as Dr. Etheldra Davis Fairview Elementary School. It has been said that seeing Thel's name above the school doorway will "serve as a beacon for generations of children to come in our neighborhood to show them, in a very diverse neighborhood, what they can accomplish if they apply themselves and they work hard."

I think we all understand how important it is for children to see adults who look like them and who share cultural history and perspectives as leaders in their lives. I can only imagine how powerful it must have been for Anchorage's African-American students to see an African-American teacher and principal serving them and their school, especially during the culturally fraught era of the 1950s and 1960s. I know that the children who attend Dr. Etheldra Davis Fairview Elementary School will continue to be inspired by her example for many years to come.

I am proud to have known Thel and am proud today to come to the floor of the U.S. Senate to honor her and her many contributions to the community of Anchorage, AK, and, indeed, the entire State and Nation.●

REMEMBERING MARK SWEENEY

● Mr. TESTER. Madam President, I would like to share a few words today to honor an outstanding leader and friend of mine who recently passed away.

Mark Sweeney was a State senator for Montana's 39th District and a candidate for the U.S. House of Representatives. Mark was the face of public service in Montana, with an unyielding commitment to make our State better for all of our kids and grandkids.

Born in Butte, raised in Miles City, and a longtime resident of Anaconda, Mark was a Montanan through and through. Mark worked for Montana Fish, Wildlife, and Parks for 32 years until he retired as a fisheries manager.

He started his political career as a commissioner in Anaconda-Deer Lodge and later successfully ran for a seat in Montana's State Legislature as a representative. He was elected to the State senate in 2020.

During his career, Mark was a tireless advocate for public lands and public access, working with sportsmen and women around Montana to protect our greatest treasures for future generations. When Mark talked about running for office, he focused on how he would improve the lives of his fellow citizens, and he worked with anyone and everyone, regardless of whether they agreed or disagreed with him.

Mark was a fierce advocate for working families across Montana. He believed in the power of public education to lift folks up and prioritized the creation of good-paying jobs, especially for young people, that would keep them living and working in Montana.

Mark was an effective policy-maker who made it a priority to balance con-

servation and responsible development in our communities. Mark's lifelong commitment to bettering our State and preserving our public lands for generations wasn't something he preached; it was something he lived every day.

I want to express my deepest sympathy to Mark's wife, Sue, his children, Shannon and Jordan, stepchildren, Carly and Brandi Johnson, and grandchildren, Wes and Brooks, as well as the rest of the Sweeney family. Those who knew Mark will remember him as not only a dedicated public servant, but as a family man and a dear friend. His friendly demeanor and sense of humor will be sorely missed.

Mark has left a lasting legacy on us all, but especially his family and friends, his colleagues in the State legislature, and those he represented in the State of Montana. He will not be forgotten.●
